

Lafarge Trinity White & Antique White Portland Cements

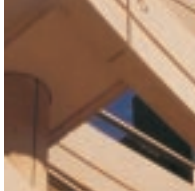

LAFARGE

Lafarge offers you a choice in natural white Portland cements with Lafarge Trinity White and Antique White. These rich and beautiful unblended shades are formulated to produce an ideal concrete finish with great uniformity and lasting aesthetic appeal.

When you need a bright white, our Trinity White is the perfect answer. However, for those projects requiring an off-white tone, you will find that our Antique White is a cost-effective alternative.

If your project involves architectural concrete, Lafarge Cement is your natural choice.

LAFARGE TRINITY WHITE & ANTIQUE WHITE PORTLAND CEMENTS

Product Name

Lafarge Trinity White and Antique White Portland Cements

Manufacturer

Lafarge Building Materials Inc.
12950 Worldgate Drive
Suite 500
Herndon, Virginia 20170

Product Description

Basic Use:

Lafarge Trinity White and Antique White Portland cements are true hydraulic non-blended cements, which produce architectural concrete that exhibits uniform, white, light and warm colored surface finishes.

Technical Data

Applicable Standards: Lafarge Trinity White and Antique White Portland cements meet and exceed the applicable standards of ASTM C 150, *Standard Specification for Portland Cement* and AASHTO M 85.

Limitations

Fine and coarse aggregates, air, water content and admixture variations can affect the quality of the final product. All Portland cement products benefit from moist curing.

Physical Properties

	Trinity White Portland	Antique White Portland
Fineness		
Blaine cm ² /gm	3970	5430
% passing		
325 mesh	98%	99%
Time - Vicat Setting		
Initial (min)	75	80
Air Content		
Autoclave Expansion	.01%	.07%
Compressive Strength		
1 Day psi	1990	2900
3 Day psi	3900	5570
7 Day psi	4660	6710
28 Day psi	6290	7600

Precautions

Direct contact with wet cement should be avoided. If contact occurs, the skin should be washed with water as soon as possible. Exposure can cause serious, potentially irreversible tissue destruction in the form of chemical (caustic) burns. If cement gets into the eyes, immediately rinse thoroughly with water and seek medical attention. For more information, reference the applicable Lafarge Material Safety Data Sheet (MSDS). The MSDS should be consulted prior to use of this product and is available upon request and online at www.lafargenorthamerica.com.

Limited Warranty

Lafarge warrants that Lafarge Trinity White and Antique White Portland cements meet the requirements of ASTM C 150 and AASHTO M 85. Lafarge makes no other warranty, whether of merchantability or fitness for a particular purpose, with respect to Trinity White and Antique White Portland cements. Having no control over its use, Lafarge will not guarantee finished work in which Trinity White and Antique White Portland cements are used.
