## Segmental Retaining Walls Installer Course—Level I / Basic

Wednesday, February 25, 7:30 am to 4 pm • Traditions at the Glen, Johnson City, NY

This one-day course teaches installers fundamental SRW installation guidelines, material and system component properties, soils and compaction, the effect of water, and site practices. Certified SRW installers that want to maintain their certification must apply for recertification every two years.

Visit our website at [www.oneontablock.com](http://www.oneontablock.com) to [download](#) the information sheet and registration form, or give us a call at 607-432-6641. Space is limited. We must have your registration by February 20.
